

AIRSIDE INFORMATION NOTICE

Reference	AIN 2021/14		
Date Issued	02/09/2021		
Issued By	Dan Jones	Position	Airside Operations and Safety Manager
Subject	STANDS 1 – 3 AND STAND 32 CHANGES		

An Airside Information Notice (AIN) will be issued to notify airfield users of pertinent operational or administrative information, such as a general or routine reminder of airfield procedures/instructions, the promotion of safety campaigns and changes to airfield infrastructure, signs or markings. It is the responsibility of all employers to ensure that relevant AINs are brought to the attention of their staff.

1. OBJECTIVE

To advise of changes to stands 1 – 3 and the permanent removal of stand 3R.

2. SCOPE

This notice is relevant to all airside users.

3. INFORMATION

- The aircraft stop markings on stands 1 – 3 are being moved further south to increase the size of the Equipment Parking Areas (EPAs) at the head of each stand. The EPA allocations for DHL and Swissport on stands 1 and 2 have been reversed and the EPA allocations on stand 3 remain unchanged.
- Stand 3R is being permanently removed and the stand 3R centreline and eastern edge marking will be erased.
- A new EPA will be installed east of stand 3, parallel with the central pier, for parking of two Cobus. No other GSE is permitted to park anywhere alongside the central pier.
- Stand 32 is being downgraded from a B757 stand to an A321 stand, to enable the install of inter-stand clearways and EPAs. Stands 32L and 32R will be permanently removed and the markings erased.

New stand plans will be issued to www.bristolairport.com/airside shortly that reflect the above changes.

4. GENERAL ENQUIRIES
