Dear Secretary of State

The Bristol Airport Limited (Land at A38 and Downside Road) Compulsory Purchase Order 2020

The Grounds of my Objection to this are that the CPO should not be determined until after the outcome of the Appeal on the expansion of the Airport from 10 to 12 million passengers (Ref: 18/P/5118/OUT). And perhaps even moreso until after the publication of North Somerset Council's new North Somerset Local Plan and associated infrastructure transport plan, currently in active development.

Thank you for the opportunity to comment and in anticipation of a positive outcome from my point of view.

Yours faithfully

Elizabeth M Porter (Ms)

North Somerset and Backwell Resident, living in West Town, the nearest part of Backwell to Bristol Airport after Downside
