Subject: Bristol Airport

Dear Grant Shapps,

I am emailing you as Secretary of State for Transport because I object to Bristol Airport trying to manipulate North Somerset Council into using Compulsory Purchase Orders to buy land around Bristol Airport. North Somerset Council turned down Bristol Airport's application to develop its site. The Council speaks for the community of North Somerset saying that there are no grounds for expanding the airport, therefore there is no need for any more agricultural land or green belt land to be concreted over. It is a cynical and arrogant move by the Airport who have deeper pockets than the Council who now have to spend even more of the resident's money fighting plans they have already rejected!

North Somerset Council has declared a Climate Emergency, they are doing their utmost to plan for a sustainable and resilient future for the area, we need to stop self interested bullies from derailing that process. Any help you can give in this matter would be greatly appreciated.

Yours sincerely,
Jill Jones
(Constituent North Somerset)
