Subject: Bristol airport compulsory purchase orders

Good evening

I wish to object to Bristol airports application to compulsory purchase areas of land around the airport This is clearly being done to preempt the outcome of an appeal of a decision to refuse expansion of the airport on various grounds

In my view any application for compulsory purchase orders should await the outcome of the appeal regarding expansion of the airport I live in Butcombe which is close to the airport and will be affected by any expansion

Kind regards

Trevor Mitchell
