Subject: Bristol Airport Expansion

Sir,

I would like to register my concerns about the expansion plans for Bristol Airport. The airport, which has already had its plans rejected once by the local authority, is now applying for compulsory purchase orders on local land so it can expand the local road network. They are relentless. Their business plan seems to be based on completely ignoring everybody except their own advisors and to carry on regardless. Please consult with John Penrose for further information.regards, Andy Connell
