Subject: Bristol airport

I feel compelled to mail you as the extension of Bristol airport will affect so many people, they say it will give jobs to locals but in reality it doesn't ,The call for overnight accommodation in the area Will be hit as they build more accommodation at the airport as will other areas Also compulsory purchase of people's homes is morally wrong I also need to tell you about fuel dumping I walk my dogs regularly by the flight path of incoming planes from the west and have witnessed fuel dumping across the woods and fields on their approach to land As North Somerset council have refused permission I urge you to look at this carefully from the point of view of all us Little people DONT let greed walk all over us Thank you and kind regards Vonnie
