

Covid-19 Response

Maintaining essential lifeline routes to and from Jersey & Guernsey

In response to the ever-evolving Covid-19 situation Blue Islands has implemented a revised timetable, ensuring the maintenance of essential lifeline routes as a base provision for essential travel.

We know our services, particularly from both Guernsey and Jersey to Southampton are heavily relied upon by both Island communities for essential travel for medical purposes. That's why Blue Islands will operate morning and evening services between Guernsey and Jersey and Guernsey to Southampton and Jersey to Southampton and a single daily service to Bristol.
