At Cabin, we're all about travel.

Before you go anywhere, you need to know where you're coming from.

The food offering is European in layout, but quintessentially British in content with plenty of home-grown specialties to try and share.

The majority of our meat is provided by our butcher John Sheppard, who works with local farmers that breed and rear their animals in Somerset, Gloucestershire and Wiltshire. Twinings tea originally from Gloucestershire with over 300 years of passion and over 500 varieties that are drunk all over the world. Severn & Wye ensure the quality of our salmon, smoked near the forests of Dean...

So flick through the different sections. Pick and choose. Mix and match. Questions? Just ask. Go on. Make a meal of it.

The perfect way to start the day

Bucks Fizz: £7.00

The Buck's Fizz was created in 1921 by bartender McGarry at the Buck's Club in London. We have decided to use Slyvoz Prosecco and orange juice to create our signature fizz.
